

# PRAYER TO BE A BETTER PERSON

Dear Lord,

I am producing a lot of bad fruit that is not representative of you in my life. For example, I have been a bad friend. I pray you teach me how to be a good, forgiving friend with your perspective and mindset.

I lay all my sins at the cross. I forgive everyone who hurt me during this period because I was walking the wrong path. Thank you for being my path of light. In you, I pray I become the beautiful creation you want me to be, a new creation in Christ. Create a new heart like you Jesus and a steadfast spirit, thank you for teaching me perseverance through my struggles, forgive me for producing bad fruits during these struggles. I pray I can worship you in my worst moments. I pray you protect me, stay with me and form a shield around me in my worst moments. Help me seek you instead of self-pleasure.

I am now walking in your perfect, good will for me Lord. Thank you again for the light you have shown me and your forgiveness at the Cross. Thank you for helping me understand the importance of Christ Jesus and his crucification. I pray I go to your Word every-time I get any evil thoughts or face temptation. I pray I come to hear your voice always before making decisions or going about my day. I pray you help me make good decisions, and produce fruit in me that leads to life and not death.

I've made a lot of mistakes and I apologise for them. Even though my flesh is finding it hard to forgive myself, I will do my best to put my faith in your Salvation and to respect what you did for me. I pray I can love you the way you have unfailing love for me which means to get to know you better.

God you are Love, you have taught me true love and given me true love, truly I thank you for the blessings you have bestowed upon me. I am a blessed person in Christ and I know I will be safe in your arms in the future, as I am truly walking in your will. It is no longer I that live but you that lives in me, I will do everything according to what you say, I will pray before responding, pray and seek your Word.

Thank you Lord for your Word and Guidance and never giving up on me. I pray that you do not cut me down because of my bad fruits and decisions but allow Jesus to be the true vine and grow better fruit in me so you can be happy with me and allow me to live with you eternally in a holy and righteous manner. I will do my best for you God. Thank you for holding my hand through it all.
